

Art and Design

NC Aims: The national curriculum for design and technology aims to ensure that all pupils: ♣ develop the creative, technical and practical expertise needed to perform everyday tasks confidently and to participate successfully in an increasingly technological world ♣ build and apply a repertoire of knowledge, understanding and skills in order to design and make high-quality prototypes and products for a wide range of users ♣ critique, evaluate and test their ideas and products against the work of others ♣ understand and apply the principles of nutrition and learn how to cook.

EYFS	EYFS	<ul style="list-style-type: none"> Introduce a range of tools which can produce marks on a variety of backgrounds Use parts of a pencil to create different mark making effects. To begin to produce simple observational drawings of objects. 	<ul style="list-style-type: none"> To develop an awareness that a sculpture is viewed from all angles (3 dimensionally). To begin to develop simple 3D representations using a range of sources. 	<ul style="list-style-type: none"> To be able to mix primary colour in order to make secondary colours. To be able to apply the paint using different applicators. To hold the applicators correctly. 	<ul style="list-style-type: none"> To examine different textiles with a simple repeat pattern. To create simple patterns natural objects or shapes To develop skills of cutting, tearing, fringing, fraying, twisting and shaping paper. To produce a large paper weave pattern 	<ul style="list-style-type: none"> To develop techniques for cutting and tearing. To begin to develop techniques gluing skills, spreading, using appropriate amounts etc. 	<p>Provide opportunities to discuss art works brought into the classroom. Provide opportunities for children to comment on their own work and that of others. Encourage positive comments and also suggestions for further improvements.</p> <p>Provide opportunities to discuss the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.</p>	<p>Expressive arts and design</p> <p>The development of children’s artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe</p> <p>Early Learning Goal Creating with Materials • Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. • Share their creations, explaining the process they have used. • Make use of props and materials when role playing characters in narratives and stories</p>	<p>Drawing</p> <p>Pencil Tone Line; wavy, straight, sharp, smooth, thick, thin, smudged</p> <p>Viewfinder Sketch</p> <p>Digital Shade Blending</p> <p>Painting</p> <p>Primary colours</p> <p>Secondary colours</p> <p>Warm colours</p> <p>Cold colours</p> <p>Colour mixing</p> <p>Strokes</p> <p>Print/printed / printing</p> <p>Tint Colour wash</p> <p>Lighter/darker</p> <p>Digital Water colour blending</p> <p>Sculpture</p> <p>Pinch</p> <p>Pressing</p> <p>Rolling</p> <p>Rubbing</p> <p>Stamping</p> <p>Roll Coil</p> <p>Form Casting</p> <p>Space</p> <p>Resources</p> <p>Pastel</p> <p>Charcoal</p>	<p>Sentence Starters</p> <p>My first impressions of this piece are...</p> <p>The piece of work is about...
