

Hodnet Primary School Music Curriculum Vision Statement 2022 - 2026

Our music curriculum aims to encourage our children to develop an interest, enthusiasm and love of music, with the underpinning goal of developing a heightened sense of wellbeing as a result. Children at our school will be encouraged to hear music all around them in their everyday experiences and find joy in this.

Music enables children to explore emotions, imagination, creativity and develop self-confidence. We believe that music appreciation is an important aspect of this as well as musical performance of any scale. Children will have the opportunities to create, compose and evaluate music. They will explore and learn musical skills which they will develop as they move through our school.

Children will leave Hodnet Primary School with a love of singing, appreciating music from different genres, cultures, and time periods and with a variety of different musical experiences and skills.
