Location and resources

The club sessions are held in the main school hall. The School's kitchen and KS2 sink areas are used to wash tableware. The equipment and foods are kept in either our cooking store, staffroom fridge or resources room. Staff ensure that all areas are left clean and tidy at the end of the club session. Breakfast Club has its own supply of craft resources, games and tableware. This is kept in the resources cupboard or in the hall cupboards. All electrical equipment is PAT tested annually.

Staffing

Breakfast Club is led by Mrs Jane Rhoden and Mrs Jackie Evans. They work together to ensure that the children are engaged in activities and that they are playing safely. They organise the cleaning of all of the equipment required to run the breakfast club and prepare the food. In addition to Breakfast club staff, other staff members are onsite from 7.45 and a Designated Safeguarding Lead is contactable throughout. Our Current DSL's are Mrs Penny Lyall, Headteacher, Mrs Ceri Williams, Deputy Headteacher and Miss Jenny Darmanin, senior Teacher.

If a member of staff is absent, they will ring the Headteacher who will arrange any necessary cover. All staff hold necessary DBS checks and are trained in Food Hygiene and hold the relevant certificates. Staff are identified by a lanyard with their photo and name.

Our staff: child ratio is 1:12.

Booking and Payment Arrangements

Parents are required to book and pay for their children's place online via ParentPay using the website www.parentpay.com. Bookings must be completed in advance, by midnight on a Thursday night for the following week. Emergency bookings can be booked through Mrs O Connor or Mrs Rhoden, however parents run the risk of the club being full. All payments must be made using this online booking platform. Breakfast Club also accepts payments via various voucher companies; please ask Mrs Rhoden or Mrs O'Connor for more information regarding this.

The breakfast club reserves the right to prevent any child's attendance to the club if at any time if they are not acting in a disciplined and responsible manner. Fees in this case will not be refunded. We also reserve the right to cancel Breakfast club, where numbers are insufficient, fees in this case would be refunded.

Health and safety

Breakfast club is run by the school and the existing Health and Safety Policies will be followed. The hall area will be checked regularly by staff to ensure the safety of the children.

- **Emergencies**

As part of the membership form parents will be asked to complete emergency contact numbers to enable Breakfast Club staff to contact them in the case of emergency. These are stored securely in the breakfast club folder which is locked in the school office overnight.

- **Fire Procedures**

In the event of a fire, children and staff will follow the normal school procedures, leaving the building calmly via the closest exit. They will congregate on the school's playground in a line. The club's register for the day will be called and all names will be checked.

- **Risk assessment**

A separate risk assessment has been completed for breakfast club sessions and activities.

- **Equal Opportunities**

Breakfast club will take positive steps to ensure that provision is made for a safe, caring and welcoming environment, which promotes and reflects cultural and social diversity and is equally accessible to all. All children and their families will be treated with equal concern and value.

- **Accidents**

Accidents will be treated by a trained first aider and the accident will be recorded in the accident book. Breakfast club will follow the school's first aid policy.

- Policies and Procedures

Breakfast club will follow the schools own policies and procedures and these are available from the school office.

- Medication

Inhalers are kept in the classrooms. If a child needs their inhaler then a member of staff will escort them to their classroom to observe that the medication has been taken correctly and record it as per the policy. Other medication will be administered according to the existing school policy on medication.
