Is there anything else that you would like the school to offer? If yes, What? <ul style="list-style-type: none"> • More sports clubs/teams • More opportunities for girls in sport • Bigger lunch • Outdoor learning or forest schools for KS2 • My son rarely has a lunch as there isn't enough for him • More toilet facilities, opportunities to drink more and go to the toilet more when needed • The school does a fantastic job already but perhaps some more STEM activities / creative clubs / sports options would be great addition for the children. • Different activities at wraparound to keep it interesting • More forest schools in school time
