April 2026

Dear parent/carer,

Thank you for your interest in our school Nursery, opening in September 2026.

We are delighted to be expanding our school, committing to providing high quality Early Years provision within our local community, including wraparound care to support working families.

Our Nursery will offer a play-based curriculum with a Reggio Emilia inspired approach to learning through curiosity, in line with our Reception class offer. We will provide opportunities for outdoor learning including Forest School sessions with our certified staff. Information can be found on our website and detailed information within our Nursery offer guide.

We sincerely hope that you choose Hodnet for your child's Nursery provision, and beyond, we are looking forward to working in partnership with you throughout the coming years.

We are pleased to share with you our Nursery information pack, containing:

- our Nursery offer guide
- our booking form
- our registration form.

We welcome any questions that you may have, please don't hesitate to contact school for more information.

To secure a place for your child for September, please complete and return the booking and registration form before 1st July 2026.

Yours sincerely,

Mrs Lyall
Headteacher.
